

# Centralize Training With Easy-to Use Content Management Tools

## Career Development for All

You can add your own learning content and custom paths alongside Interplay's immersive technical training to provide a single career development hub that's tailored to the needs of all employees.

With Interplay, managing all of your training content, developing skills, and monitoring learner progress becomes easier.

From safety and compliance training to leadership, ethics, and management courses, simply add the content you need into our powerful, all-in-one platform. What's more, administering and managing it is a breeze with our content management tools.

## Content Manager

Interplay's Content Manager enables you to quickly add courses, build custom learning pathways, and create quizzes with ease.

Add any SCORM-compliant course to our platform, or build your own in your preferred format—PDF, MP4 video, or link. Need to include a Zoom recording or an in-person training session? No sweat. Add it to our platform, assign it to learners, and effortlessly track their completion.

Use your content in custom learning paths to guide employees through a tailored learning journey. Test knowledge retention and understanding with custom quizzes that you create.

## Customize Learning and Talent Development

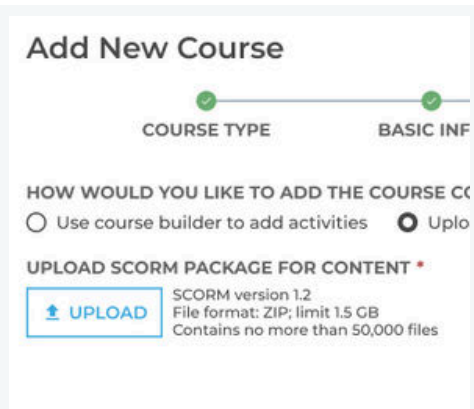

Use Content Manager to add content, build custom learning paths, and create quizzes

The screenshot displays the Interplay Enterprise user interface. At the top, the navigation bar includes 'Interplay Enterprise', 'Dashboard', 'Catalog', 'Help Center', and 'Team'. A search bar and a '15 POINTS' badge are also visible. The main content area shows a breadcrumb trail: 'Team > Acme Home Services > Subgroup'. Below this, the 'Acme Home Services' section features a '+ ADD A GROUP' button and tabs for 'Insights', 'Team Members', 'Command Center', 'Reports', and 'Account'. The 'Manage Content' section is highlighted, with a 'CREATE CATALOG' button. It includes the instruction: 'Create your own catalogs and courses that are visible only to your team members'. Five content cards are displayed, each with a lock icon and a title: 'Compliance', 'Cybersecurity', 'Training Q1', 'Training Q2', and 'Training Q3'.
